CALTRANS Press Release UPDATE ON HIGHWAY CONSTRUCTION PROJECT

- ❖ **WHAT:** Traffic Control
- ❖ **WHEN:** July 14 through July 18
- ❖ **WHERE:** In Mono County State Highway 158 (June Lake Loop)
from the South Junction at U.S. Highway 395 to the Power
House.

There will be Traffic control with flaggers, expect delays of up to 15 minutes. Sierra Nevada Construction of Sparks, Nevada will be replacing asphalt concrete surfacing on State Highway 158 (June Lake Loop).

When approaching the construction zone the traveling public is advised reduce their speed, observe the construction signs, and watch for construction personnel and equipment.
